SIOUX FALLS (AP) - A former Sioux Falls city official has pleaded not guilty to child pornography charges.

Donald Seten, 47, resigned from the city planner's office in January.

On Thursday, he was charged with 32 counts of possession, manufacturing and distributing child pornography.

Authorities have said Seten kept images and movies on a memory card he used when he worked for the city. The card was found on the ground outside of city hall in January and traced to Seten, who resigned and moved to Rapid City, where he was arrested.

His next court date has been scheduled for September. Until then, Seten has been ordered to stay away from children younger than 16.
